Type of Support

Adopt an Enclosure: This is complete support for a breeding pair and the cubs for the year.

For this you will:

1. Have your name on the permanently mounted on the enclosure
2. Name all the cubs produced in the enclosure, the names are entered in the International Stud Book for the species
3. Receive a framed support certificate and picture of the parents and cubs
4. Receive a history of the family and their release sites
5. Have Visiting Rights for the foxes
6. Priority Booking for events at CEI
7. Newsletter

This will be a one time donation of \$4,000 CDN.

Name a Swift Fox: This will allow you to name a Swift fox cub born in the year of the contribution.

For this you will:

1. Provide the name for the Swift fox
2. Receive a certificate of your support for the program
3. Get a history of the animal and its release site
4. Priority Booking for events at CEI
5. Newsletter

This will be a one time donation of \$200 CDN.

Cochrane Ecological Institute Membership: Join CEI and be kept up to date with a newsletter and announcements of events.

For this you will:

1. Priority Booking for events at CEI
2. Newsletter

This is a yearly donation of \$50 CDN.

Wildlife Rehabilitation Support: Your contributions will be used to support a variety of species that receive care and rehabilitation at CEI. They range from orphaned moose and peregrine falcons to red winged black birds and beavers.

Imagine how much it costs to feed a baby. Any contribution will be gratefully received or you may earmark it for the following:

1. Aviary
 2. Aquatic Birds and Mammals
 3. Ungulates (Deer Fawns, moose and elk calves)
 4. Veterinary costs
 5. Specialized food and milk
